PES Statement of Work

Under the PES schedule, Quantech may provide federal agencies with a variety of engineering services, including Configuration Management, Software Engineering, Integrated Logistics Support, Systems Design, Engineering, and Integration, Software Development, Independent Verification & Validation, System Test & Evaluation, Strategic Planning, Concept Development, and Acquisition and Life Cycle Management.

Quantech's Core Capabilities

The Quantech solution encompasses everything our clients need throughout the life cycle of their projects in the areas of:

- ◆ **Engineering Services** — Quantech provides systems-based engineering services for large scale system acquisitions. We provide the skills, processes and expertise for effective engineering services for both government and commercial acquisitions. Quantech has the engineering life cycle development perspective to ensure superbly engineered systems produce the expected results.
- ◆ **Financial Management Services** — Quantech's personnel are recognized leaders in financial management services with experience in appropriation law, budget formulation, financial analysis, budget execution and tracking, contract reconciliation and closeouts. Quantech also provides outstanding start to finish cost estimating, analysis and research services.
- ◆ **Program Management Services** — Quantech provides innovative enterprise wide program management solutions for today's challenging environment.

How to Use this Contract

GSA Professional Engineering Services (PES) is a competitively-awarded schedule contract with fixed labor rates and is available to all federal agencies and their approved contractors. *These fixed hourly rates have already been determined "fair and reasonable" by the Government.* Task Orders referencing the GSA schedule number may flow directly from GSA to Quantech Services, Inc. There is no middle man and no need to deal with anyone outside your agency except GSA. Refer to FAR 8.4 for complete details. The general steps to follow are:

1. Quantech Services, Inc. meets with the customer to determine if support requirements exist
2. The customer develops the project requirements (Statement of Work)
3. The customer provides the project requirements and funding documents to GSA
4. The customer develops and GSA issues an RFP/RFQ to prospective offeror(s)
5. Quantech Services, Inc. develops its proposal/quote
6. GSA and customer evaluate offer(s) and makes award
7. GSA issues a Task Order
8. Quantech Services, Inc. begins work.
